

E2000 ADAPTER

APPLICATIONS

- CATV, WAN
- FTTX, FTTH
- Telecommunication networks
- Local Area Networks (LANs)
- Fiber Communication Systems
- Data processing networks
- Industrial, Mechanical and Military

FEATURES

- Simplex version
- Plastic body
- Blue and Green color available
- Zirconia Sleeve for high precision alignment
- Low insertion loss and back reflection loss
- Comply to ROHS requirement

AVAILABILITY

| Fiber Type | Fiber Core | Polishing | Adaptor type | Housing Color |
|------------|------------|-----------|---------------------|--------------------------------|
| Singlemode | Simplex | PC APC | R&M Huber Suhner | Blue (SM PC) Green (SM APC) |

SPECIFICATIONS

| Item | Parameter |
|-----------------------|-----------------------------------|
| Connector Type | PC or APC |
| Fiber Type | Singlemode, Simplex |
| Insertion loss | ≤0.2dB |
| Return Loss | ≥45dB |
| Mating Durability | ≤0.2dB typical change, 1000 times |
| Operating Temperature | -40 ~ +75°C |
| Storage Temperature | -40 ~ +85°C |
