

250ml Plastic Twist-Lock Automatic Alcohol Dispensing Bottle

Key Features:

- This white polyethylene 250ml automatic dispensing bottle has a polypropylene bottle and cap. The label "alcohol" is silk screen painted on the bottle.
- This alcohol bottle features a twist-lock (prevents leakage and is suitable for travel) plastic pump from Menda which eliminates direct hand contact, spillage, fumes and waste while protecting purity.
- Its short stature and wide base helps prevent it from falling over when using the pump.
- High quality polypropylene. Pump is durable and lightweight.
- Locking pump. Can be locked with a twist-suitable for travel.
- Built in cap with living hinge. Adds convenience for closing bottle.
- Operator does not touch liquid. Provides a safe way to handle liquids.
- One handed operation. Frees operator's hands.
