

Fast Assembled Connector

Features

- Comply with Telcodia GR-326-CORE
- No epoxy, no polishing required
- Re-usable design
- Easy operation, quick connector
- High performance, high reliability, low loss

Specification

ITEM.	Technical Parameters
Available for	3.1 x 2.0 mm Drop cable
Optical fiber diameter	125 μ m (657A & 657B)
Tight buffer diameter	250 μ m
Fiber mode	Single mode
Operation time	About 100s (no fiber cut)
Insert loss	\leq 0.5dB (1310nm & 1550nm)
Return loss	\leq -40dB
