

PDLC Waterproof Assembly

PDLC Assemblies are designed waterproof device for standard duplex LC connector, which are widely used in FTTH and other harsh outdoor application.

Features

- Standard DLC connector, well connected with standard LC adaptor
- Available Single mode and Multimode
- IP68 protection, salt-mist proof, humidity proof, dust proof
- Aluminum housing, compact design
- Broad temperature range and wide range of indoor and outdoor cables
- Easy Operation, reliable and cost-effective installation

Application

- Widely used in FTTH & FTTH
- Harsh outdoor environments application

Specication

Insertion Loss	≤0.3dB
Repeatability	≤0.2dB
Cores	2F
Plug/Play	≥ 500 Cycles
Operating Tempreture	-40 ~ 85°C
