

SMA ADAPTER

APPLICATIONS

- CAT Network
- Active device termination
- Telecommunication networks
- Local Area Networks (LANs)

SMA

FEATURES

- Excellent handling at high packing density
- Bulkhead adaptor
- Self-retentive mechanism enables
- Low the ferrules compression force off the back panel

SPECIFICATIONS

Item	Parameter
Connector Type	PC or APC
Insertion loss	≤0.2dB
Return Loss	PC ≥50dB APC ≥65dB
Mating Durability	≤0.2dB typical change, 500 times
Temperature Stability	≤0.30dB
Operating Temperature	-40 ~ +85°C
Storage Temperature	-40 ~ +85°C
